Subd.

As I find that my present duties both in the Secretariat and under the orders given by the Retrenchment Committee are too heavy to cope with either satisfactorily I request that I may be relieved of my duties in the Secrett for a time.

The Assistant Secy to the Committee is well aware of the fact that I have attended to the work connected with the Comtee for the last four years and a half and that during a great part of this period this work was in addition to my duties in the Secrett. Though work connected with the Comtee was not heavy continuously throughout this period yet whenever there was work it was very heavy and required, not infrequently, immediate and sustained attention as I have had to attend to the work in all its stages - Collection of old references, drafting, fair copying drafts, typing final notes &c.

In consideration of the work which I have done and which I have still to do in connection with the Comtee I beg that no I may be recommended for

I have no objection to relieve Nagappa.
I suppose I shall be at liberty to employ an acting man in his place. The best reason of the B.R. is on 8/ also intended to move in the matter.

Nagappa may be placed on deputation with the Ref. committee & a man may be employed temporarily in his place in the G.R.
